Miss Ruby's Kids: Changing Lives, Inspiring Success

Our History, Our Inspiration

Vaudrien Forsythe Ray
MRK Board

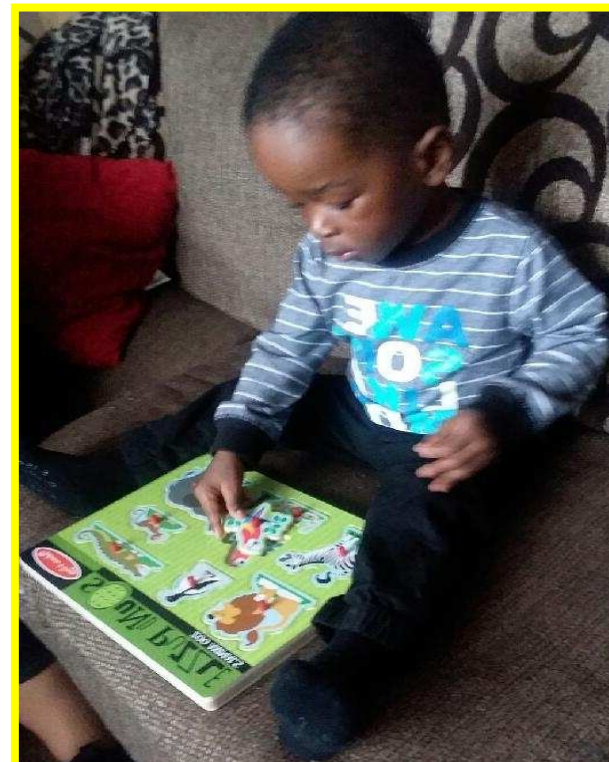

Miss Ruby Forsythe

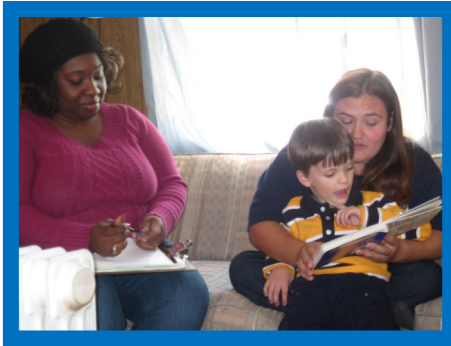

It is our VISION that all Georgetown County children will enter school prepared to learn, supported by their families, and will graduate high school as productive citizens of their community.

We can continue achieve this with your support and donations!

CALLING ALL VOLUNTEERS!

What We Do-

Trained Early Learning Specialists make 2 visits a week to the homes of at-risk 2 and 3 year olds in Georgetown County.

During the first weekly visit, a high quality book or educational toy and guide sheet are delivered. Our Early Learning Specialist model and guide the caregiver so that they may become their child's first, best teacher!

Parents, caregivers and family members participate in the home visits and learn various ways to develop in their children an interest in learning through reading, playing, listening and talking. The ParentChild+ program we use is proven to bring low income children's development up to meet their middle class peers upon entering school.

MRK Mentor Program

After our graduates enter school Miss Ruby's Kids will match them with a volunteer Mentor. Mentors spend about 30 minutes a week visiting the mentee at school to read, listen, talk, do classwork and support their mentees educational experience. One on One Mentoring can be life changing for a child with limited or little adult support at home. You can make a huge difference in a child's life!

Our Mission

Miss Ruby's Kids enables identified families and caregivers to inspire a passion for learning in their children. We help prepare parents to be their child's first, best teacher and support both parents and child throughout the child's school career.

About us!
