Programs

ParentChild+

MRK provides families with gifts of high-quality books and educational toys which are the curricular materials in twice-weekly home visits to encourage positive parent-child verbal interaction and support the development of children's school readiness skills.

Family in Home Child Care (FCC)

our FCC model is designed to work with hard to reach, low-income children and families living in under-resourced communities, where access to high-quality child care is limited.

Education Mentor

When a MRK Program Graduate enters school, we assign them a Volunteer Mentor to support them throughout school.

Volunteers

Miss Ruby's Kids is always accepting Education Mentors to serve in a GT County School at least 30 minutes a week with our Program Graduates.
